

Instructions Regarding Online Examination, Fall 2020

Please read the following important instructions carefully.

- All the final term papers will be held online as per date sheet attached. The final term exams may have an **online theory part** and a **final oral exam/viva** have 10%-25% weightage of the final term paper.
- The scheduled of the final oral exam/viva if any, will be communicated to you by the PG office/course instructor. The oral exam/viva may be online or on-campus when the university reopens again, as decided by the PG office/teacher.
- It is responsibility of the students to arrange for the Internet facility and power supply at their end. However, **if you have Internet or power supply problems in your area**, you are advised to move to your hostels. The hostel management has been asked to accommodate the students as per Government SOPs.
- If anyone has genuine issue regarding Internet or computing facilities, the university can **accommodate a limited number of student on-campus** under strict adherence to COVID-19 SOPs for online exams with prior information to concerned head of department
- **Plagiarism, copy-past, cheating and collusion** during the on-line exams will be dealt as per University policy.
- You are advised **do not use** the **moodle app** for paper solving purpose rather you are required to use university LMS website (lms.abasynisb.edu.pk). You might not be able to submit your answers using moodle app and university takes no responsibility for that.
- No retake exam will be allowed on the basis of unavailability of Internet.
- No student will be allowed to take the final term exams **without clearance of semester dues**.

If you have any queries related to the final exams, please contact your head of department or the exam office.
